

Hello!

Thank you for choosing my assets! I've put a lot efforts, energy and love in creating them. I hope you will find them a good use!

## Working with source files

This graphics was created in Inkscape - a free and open source vector graphics editor ([www.inkscape.org](http://www.inkscape.org)). SVG format is also supported by Adobe Illustrator, CorelDRAW and other vector applications. EPS and AI files can be opened and modified in Adobe Illustrator. This graphics is 100% vector, so it is easy to edit, change color and save in any needed size.

## License - Standard

Number of end products	1*
Use in a free end product (more than one project allowed)	✓
Use in an end product that's sold or monetized	✓

■ \* please contact via [email](#) for Extended License (more than 1 commercial project usage)

## Rates & Comments

Let one know what you think of the graphics and it will help to improve it! Leaving reviews, comments & and rate products greatly helps the creators to spread the word.

## Feedback Survey Invitation

Take a few minutes to complete the survey. This feedback will be used for future updates. Thank you!
